

STAND UP ONE

Telephone booth - for 1 person

StandUp One - A smart pod for the usage of 1 person. It's built with innovative features that make it an excellent option for any type of use, representing one of the best solutions for small spaces.

Stand UP features are optimized to adapt to all types of offices.

It's a pod suitable for short phone conversations, with a perfectly isolated environment and with no interruptions.

It may have a back support.

This cabin can be delivered plug-and-play.

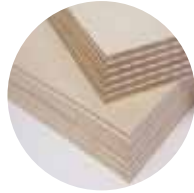

COMPONENT'S CERTIFICATIONS

WOOD

Door block structure | Birch plywood

Birch plywood is made from 100% high quality, durable birch wood. It is an excellent material for producing furniture in general, as well as for decoration.

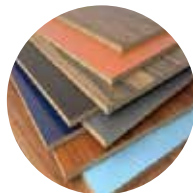

Door assembly coating | HPL

Thin high-pressure laminate (HPL) is a sheet made up of sheets of kraft paper impregnated with thermosetting resins and bonded together by heat and pressure.

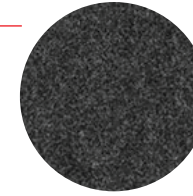

Pod's body | Melamine

Panel with a medium-density fiber substrate (standard MDF, waterproof, fireproof or other), coated on the surface with decorative melamine paper for use in dry or humid environments.

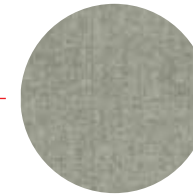

WHITE

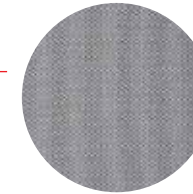

CEILING: BWF | VOLCANO 4002

High-density PET felt acoustic panels available in 9 mm.

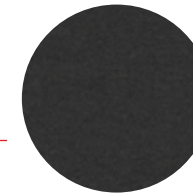

ACUSTIC: CAMIRA | SYNERGY QUILT CHANNEL QSC08

Synergy Quilt is a wide width quilted version of the soft-handle wool blend fabric, Synergy. Foam backing and wadding form the density of the quilt, with lighter shades being stitched in white thread and darker shades stitched in black thread, to create Channel patterns.

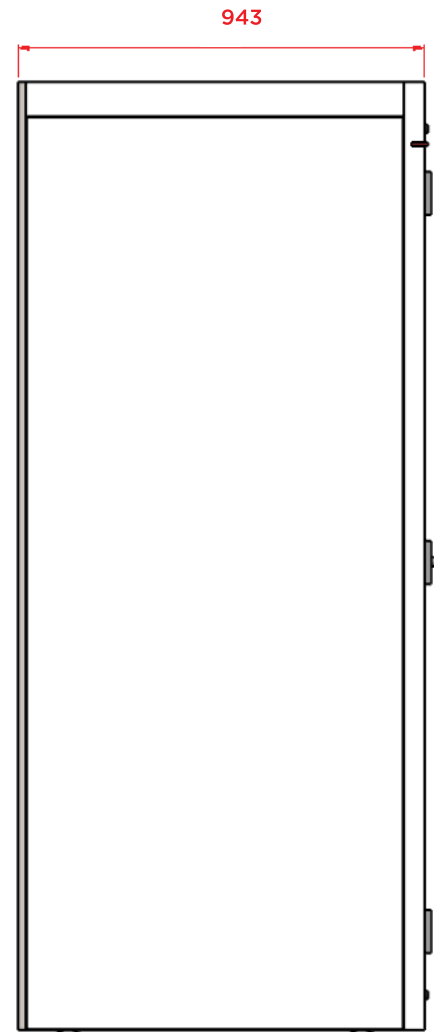

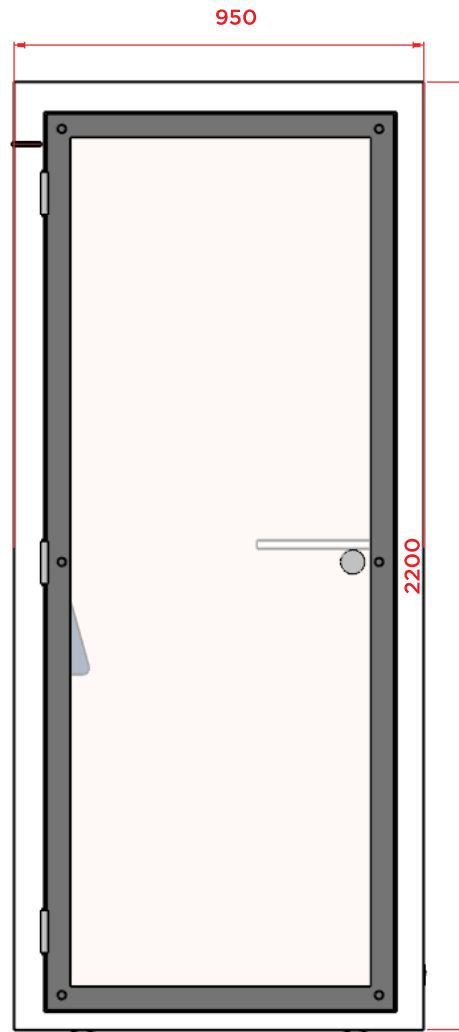

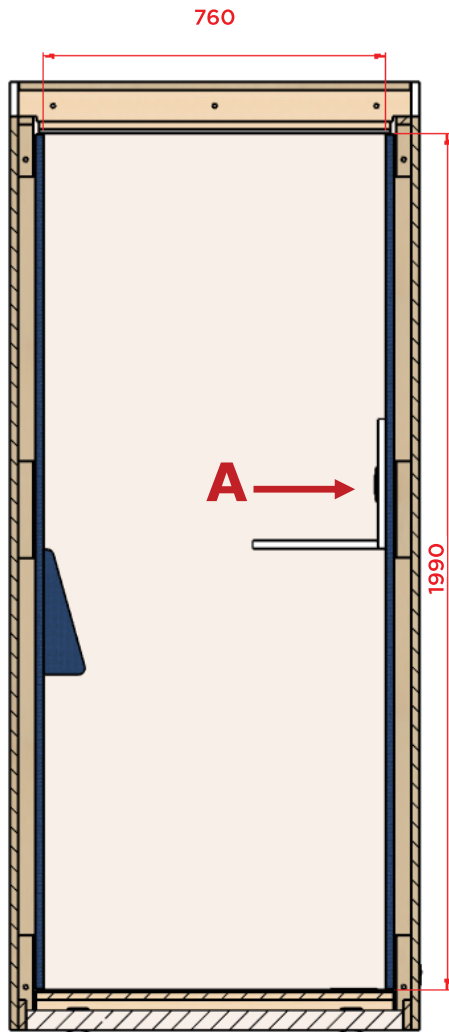

FABRICS: CAMIRA | ERA CSE11

ERA is a subtle two tone polyester fabric containing stretch in both directions for an ease upholstery. The baby herringbone weave offers an understated contemporary texture while its colouring technique provides close up intrigue.

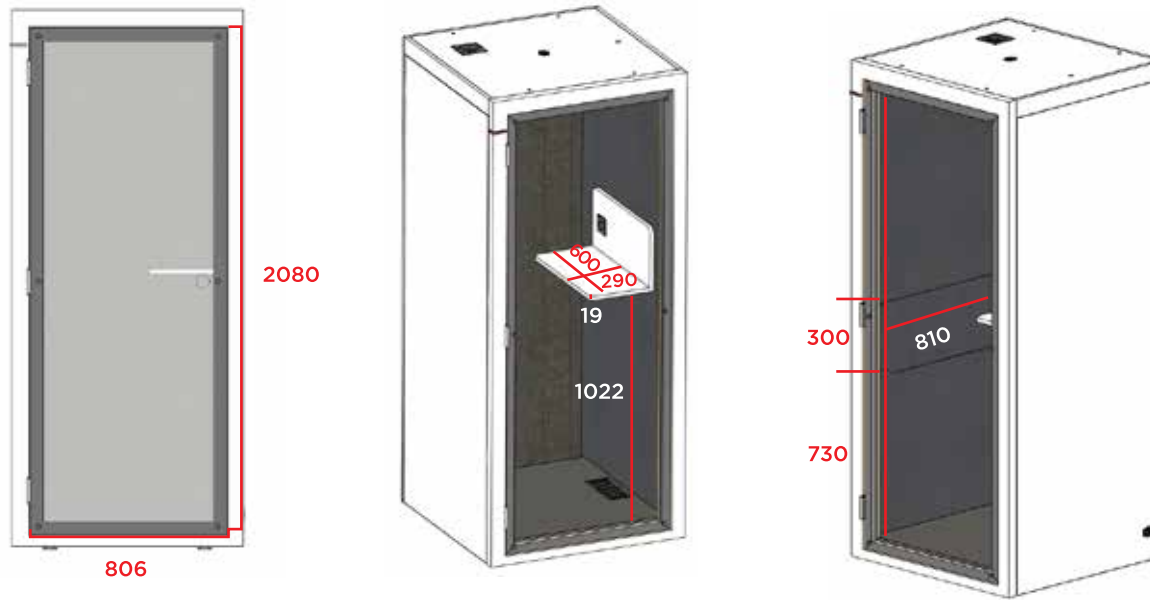

FLOOR: FORBO | 900269 CARBON

Showtime Colour offers a robust needlefelt construction of fine polyamide fibres that ensures high quality and long-lasting appearance.

Connections
1 x 220v + 1 x USB A + 1 x USB C

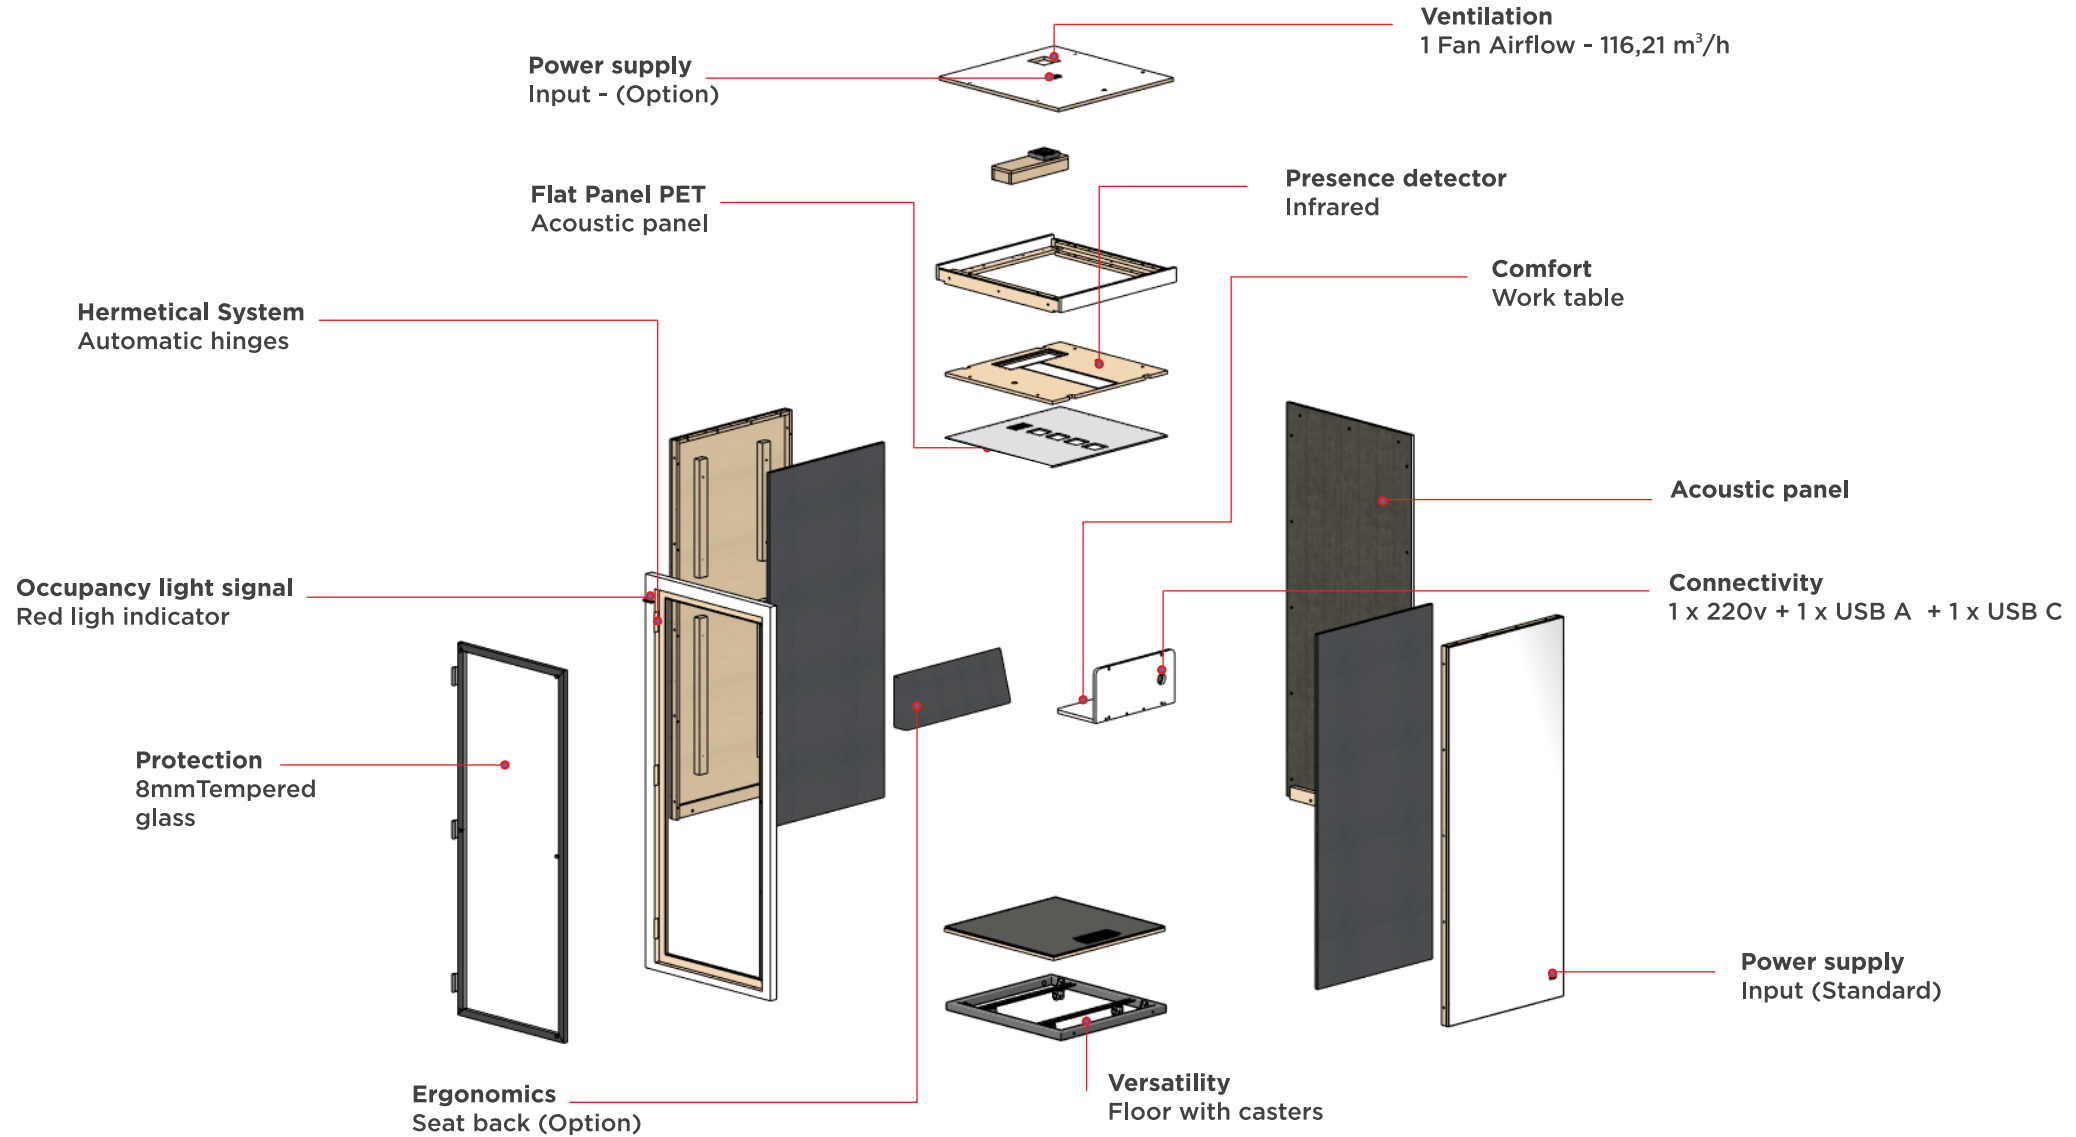

*** Choise of door opening direction = left or right

DIMENSIONS LENGTH WIDTH HEIGHT	950mm x 943mm x 2200mm
WEIGHT	220kg
ACOUSTICS	Up to 29.5 dB according to ISO 23351-1:2020
VENTILATION	Ultra silent - Fresh air in less than a minute - 116,21m ³ /h
OCCUPIED SURFACE	1 m ²
CONNECTIONS	1x 220v + 1x USB A + 1x USB C
